### **Iron-Sharpended Leadership and Resiliency Workshop**

**Register here**

*The Iron-Sharpended Leadership and Resiliency Workshop* is an exciting and inspirational two-day course for aspiring leaders and those already in leadership positions within the law enforcement community and other sectors who want to sharpen their leadership skills and strengthen their resiliency. The course is interactive and includes small group breakout sessions.

**How this course will benefit you.** This course provides tools and techniques that will enable you to become a better character-based, servant-leader. You will learn ways to identify your core values and grow trust among those you lead and work with. This course will improve your communication, listening skills, and team dynamics. You will learn decision making skills. You will learn tools and techniques to develop resiliency and help those you lead and work with to become more resilient. The result is a more effective and high-performing organization.
